GRADES 9 & 10

<ul style="list-style-type: none"> Students must take SLA courses in grades 9 & 10. The second course can be in social studies, science, or math. Students may (and are encouraged to) take more than the minimum courses in Spanish. 	Grade 9		Grade 10
	English	1509D Spanish Lang. Arts 9 (SLA)	1510D Honors Spanish Lang. Arts 10 (SLA)
	Soc. Studies	--	1900D Honors World Studies in Spanish
	Science	1799D Spanish Biology	1799D Spanish Biology 1820D Spanish Chemistry <
	Math	1610D Spanish Intermediate Algebra 1611D Spanish Geometry < 1614D Spanish Advanced Algebra <	1610D Spanish Intermediate Algebra 1611D Spanish Geometry < 1614D Spanish Advanced Algebra <

GRADES 11 & 12

<ul style="list-style-type: none"> 11th grade students must take one course in Spanish to remain in the DLI program. There are no DLI requirements for 12th grade. 	Grade 11		Grade 12
	English	1267D AP Spanish Lang & Culture	1268D AP Spanish Literature
	Soc. Studies	--	--
	Science	1799D Spanish Biology 1820D Spanish Chemistry <	1799D Spanish Biology 1820D Spanish Chemistry <
	Math	1610D Spanish Intermediate Algebra 1611D Spanish Geometry < 1614D Spanish Advanced Algebra <	1610D Spanish Intermediate Algebra 1611D Spanish Geometry < 1614D Spanish Advanced Algebra <

I have reviewed these choices with my student.

Parent/guardian signature

Please note that students might not be scheduled into the electives of their choice if they are assigned into seminar/support classes.

Don't forget
the other side!

DLI Program Planning Guidelines

For students with additional learning needs	Course selection recommendations
<ul style="list-style-type: none">• Students in ELL program will also take ELL class to support language needs• Students with IEP with specific learning disability in reading and/or writing will be placed in ELA course• Students who score below grade level in MAP and/or MCA will be placed in ELA course	<ul style="list-style-type: none">• Students can choose to take both math and science in Spanish• For students who choose to take both Spanish Language Arts (SLA) and English Language Arts (ELA), SLA will count as an elective• Spanish courses in math, social studies, and science are identified and weighted as honors-level courses on transcripts.• Course descriptions can be found in the Course Description Guide

Please note that students might not be scheduled into the electives of their choice if they are assigned into seminar/support classes.
